10th June 2020

Dear Parent / Carer

P7/S1 Transition Information and Support

Following on from Mrs Kennedy's letter to you last week, I am writing to outline some of the virtual measures we have put in place at the present time to help with your son/daughter's transition to Turnbull High School.

As an authority, we, along with all other East Dunbartonshire secondary schools, continue to work to develop the plans laid out by Scottish Government to ensure that your child can access learning effectively in a safe and nurturing environment.

As directed by the Scottish Government, all East Dunbartonshire secondary schools continue to develop the plans for our children to return safely to school in August. With this in mind, please be reassured that we continue to work closely with our Primary Head Teacher colleagues at this important time.

We hope to be in a position to provide an update for you before the end of term. Information will be posted on the school website and via Groupcall/email. Meantime, we have prepared the following which we hope you and your son/daughter will find useful:

Welcome video

Virtual tour of Turnbull High School and map

Information on Uniform/school day/clubs and activities

Induction experience – home learning (optional)

Invitation to submit any questions by June 17th to office@turnbull.e-dunbarton.sch.uk

(responses will be published as Frequently Asked Questions page on the school website)

A further programme of transition activities will also take place during August when the young people are back in school.

If I can be of any assistance to you regarding transition or if you require additional support for your son/daughter during June, please get in touch by telephone or email: cbray@turnbull.e-dunbarton.sch.uk

I look forward to welcoming you all in person to our school community in the new term.

Yours faithfully

C Bray
Depute Head Teacher S1
