

Pupil Council Feedback

March 2023

WILL BE DONE

- S5 canteen table out of place - will be moved back
- Ask facilities staff to check toilets for soap and driers

CAN'T BE DONE

- No longer lunches - this would require change to all school days.
- No iPads for everyone - EDC rather than school would need to arrange this and they have no plans for this at the moment.

BEING CHECKED

- Bring back roll and sausage at break.
- Halal/veggie food on the menu.
- More trips and study days to be organised for S4-6.
- Only 2 staff on tills? This would free up more for serving.
- Study 3 sciences before S6
- Toilet monitors to check and report issues (eg lack of soap, etc)
