

Our overall aims for this Topic are: **REDUCING AND RECYCLING:** Increase the amount of items recycled in the School.

| Action                           | Who's in charge? | When will it be done by? (if ongoing, when did it start?)  | How can we monitor it?  | How will we know when we're successful? | How much will it cost?                                     | Did it work? Any ideas for the future?  |
|----------------------------------|------------------|--|---|---|--|---|
| Toner Recycling Programme        | Ms J Farrell     | Talk at staff induction in-service days in August about recycling toners rather than binning them. | Check the amount of toners being placed in staffroom recycling bin and displaying results on Eco Board.     | Amount of toners recycled increases.    | Nothing – recycling bins and service provided by Recycool. | <i>(Update - Seems to be working so far with increasing numbers of toners being brought to staff room)</i>  |
| Mobile Phone Recycling Programme | Eco Committee    | Talk at pupils at assembly in August about recycling old phones rather than binning them.          | Check the amount of phones being placed in school office recycling bin and displaying results on Eco Board. | Amount of phones recycled increases.    | Nothing – recycling bins and service provided by Recycool. | <i>(Update – Pupils seem to prefer to recycle phones themselves as many are quite new and so can provide them with money for themselves. However, some phones have been brought in and overall many are being recycled rather than binned.)</i> |

# Eco-Schools Action Plan

**SCHOOL NAME:** Turnbull High School

**Eco-Schools Topic:** Litter

**Date Range of this Plan:** 2012/13

**Our overall aims for this Topic are: Make sure that litter in our school and community is minimised.**

| Action                        | Who's in charge? | When will it be done by? (if ongoing, when did it start?)   | How can we monitor it?   | How will we know when we're successful?                   | How much will it cost?   | Did it work? Any ideas for the future?  |
|-------------------------------|------------------|---|--|---|--|---|
| Litter Monitoring - School    | Eco Committee    | Check litter in different areas of School at least twice per term.  | Number of pieces of litter found is recorded (like in LEAMS audit) and shown on Eco Board. | Amount of litter found is decreasing.                     | Nothing – monitoring sheets are simply printed in school.  | <i>(Update – has been working in improving the litter in the car park)</i>  |
| Litter Monitoring – Community | Eco Committee    | Check litter on the routes to school at least twice per term.   | Number of pieces of litter found is recorded (like in LEAMS audit) and shown on Eco Board. | Amount of litter found is decreasing.                     | Nothing – monitoring sheets are simply printed in school.  |   |
| Anti Litter Campaign          | Eco Committee    | Communicate with the School community at least once per term about litter hotspots (found in monitoring) to try and improve them. | Number of pieces of litter found is recorded (like in LEAMS audit) and shown on Eco Board. | Amount of litter found after campaigns is decreasing.     | Nothing – pupils are spoken to at assembly and information to others goes into the Turnbull Times.   | <i>(Update – need to get information to Saturday morning football coaching as they seem to be leaving the litter in the car park)</i> |
| Community Litter Pick         | Eco Committee    | Volunteers from all of the school community undertake a litter pick in the community at least twice per year.                     | The number of full bags of litter is recorded and shown on Eco Board.                      | Amount of litter found during litter picks is decreasing. | Nothing – Eco Committee has already purchased bin bags, litter pickers and gloves for the litter picks. Leaflets to the local community are printed by the School. | <i>(Update – Autumn litter pick has taken place and Spring one has not yet been scheduled)</i>  |
